

Upcoming Opportunities
From the Colorado Paraoptometric Section Continuing Education Program

Wednesday, September 17th, 2008

Guest Speaker: Jill Rosen, Essilor International

A/R in the 21st Century

This course will make the case for antireflective coatings. Information about the components of antireflective coatings will be presented, as well as dispensing tips and fitting considerations.

Progressives Update

This course will discuss progressive lenses of the past and their limitations. Molding technologies of PAL's will be explained, and the effects of WAVE technology on PAL design will be described.

Location: Duffens Optical
2929 W 9th Ave
Denver, CO 80204

Please RSVP to Melissa Desterhouse at 303-204-7744. Dinner starts at 6:30; class is from 7:00 to 9:00 PM.
This course is offered with 2 AOA credits and 2 ABO credits available.

Thursday, October 23rd, 2008

Instructor: Frank Puckett, OD, FAAO, FCOVD

The Aging Eye

This course will describe the most common geriatric eye conditions and their management.

Location: Chapel Hills Vision Clinic
595 Chapel Hills Dr. #103
Colorado Springs, CO

Please RSVP to Jennifer Chaney at 719-599-5083 or jchaney@chvision.com. Dinner provided, and class is from 6:00 to 8:00. This course is offered with 2 AOA credits available.

All paraoptometrics are invited to attend. Free for all current CPS members. Membership in CPS is FREE in 2008! Go to www.visioncare.org to sign up today!
